ASCS Newsletter

September 5, 2024

Dear All Saints Families,

Our third week together has been a great success! As a community rooted in faith, we continue to grow in knowledge, love, respect, and service, with God at the center of all our learning.

MAP Testing This week, MAP testing has begun, and our students are off to a great start! Testing will continue over the next week, so thank you for your continued support in ensuring your children are well-rested and ready to do their best.

8th Grade Leadership We are excited to announce that our 8th-grade officers have been chosen. These student leaders will guide their peers throughout the school year, setting a great example of responsibility and faith. We look forward to seeing the leadership they provide to the rest of the student body.

Carline Reminders We are still working to improve the carline process to ensure it runs smoothly without backing up onto Lime City Road. Your patience and attention to detail are greatly appreciated as we fine-tune our procedures.

Playground Mulch Project We are in the process of refreshing the mulch on our playground, and we need your help! If anyone has some extra time tomorrow or between September 9th and 11th, please reach out to our wonderful maintenance coordinator, Bob Heckman, at 419-277-9203. Your assistance in keeping our playground safe and

beautiful is much appreciated.

PTO Picnic Please note that due to weather, the PTO picnic has been rescheduled for Thursday, September 12th. We hope to see many of you there as we come together for food, fun, and fellowship!

[Parent Testimonials Needed](#) As part of our goal to increase enrollment for the 2025-2026 school year, we have partnered with Niche, an online marketing platform for schools. To enhance our online presence, we need updated parent testimonials. If you can spare a few moments, we would greatly appreciate your feedback on your family's experience at All Saints. These testimonials will help future families learn about the incredible community we have here.
